

C O N S T A N T I N E antimicrobial warranty

Constantine guarantees the following for all of its products with Endura Loc™ backing and antimicrobial treatment..

Wear

Carpet will not wear more than 10% of its face fiber for a period of ten (10) years from the original purchase date. The use of chair pads is optional under this warranty.

Tuft Bind

Carpet will meet or exceed an average tuft bind of 18 lbs.

Manufacturing Defects

Carpet will be free from all manufacturing defects for a period of one (1) year from the original purchase date.

Delamination

Carpet will meet or exceed a minimum average delamination of 4.5 lbs. Carpet will not delaminate for ten years using a glue down method of installation.

Edge Ravel

Carpet is guaranteed not to edge ravel for a period of ten years when properly sealed.

Static Generation

Carpet will not produce static discharges in excess of 3.5 kilovolts for a period of ten (10) years from the date of original purchase.

Matting and Crushing

Carpet will resist matting and crushing for a period of five (5) years from the date of original purchase with a minimum texture rating of 3.0.

Indoor Air Quality

All carpets are in line with the CRI's Indoor Air Quality standards.

Flammability

All carpets meet Class I Radiant Panel Flammability requirements.

Colorfastness

All carpets meet or exceed colorfastness standards with a minimum rating of 4 (AATCC 16-E-1971).

Antimicrobial

All carpets meet or exceed standards of AATCC 174 (Shows greater than 90% reduction in bacterial growth after 24 hours and no visible fungal activity after three days).

This warranty will remain valid if the carpet is properly installed and maintained in accordance with the CRI's published installation and maintenance procedures. Damage caused by improper installation, abnormal use or use other than as a flooring surface is not covered by this warranty.
